

HEALTHCARE MADE EASY

1.800MD offers you and your family 24/7/365 access to board-certified physicians via telephone or secure video. These physicians can provide advice, diagnose and treat illnesses, and even prescribe medication over the phone. With your 1.800MD telemedicine benefit, there is no cost to you or your family for a consultation.

HOW TO GET STARTED WITH 1.800MD – IN 3 SIMPLE STEPS

Partnering with 1.800MD is easy for you and your family. Here's how they can quickly get started and benefit from our services:

**1**

Register

Members set up their profile by entering their member ID and group number from their membership card. Once their account is activated, they're ready to connect with a doctor anytime.

**2**

Request a Consult

Consults are available 24/7/365. Members can easily connect with one of our board-certified physicians through secure video or phone consultations—whether it's day or night.

**3**

Receive Care

Once connected, members will receive a diagnosis, treatment plan, and prescriptions (if necessary). They'll enjoy peace of mind knowing that they can receive quality care from anywhere, anytime.
