# What is Pet Insurance?

Pet insurance is a guarantee that you'll never have to make a choice between your wallet and the care your pet needs.

It works exactly the same as insurance for humans:

1. You file a claim
2. We review it
3. Once accepted, we pay out your reimbursement

It's that simple.

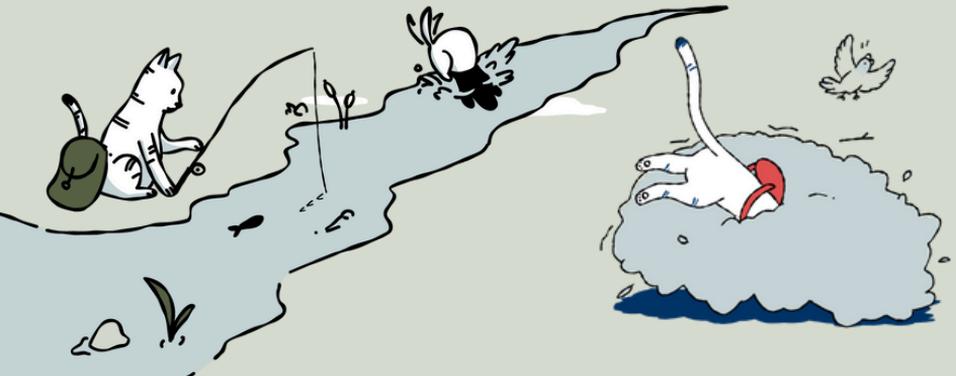

# Why Choose Rainwalk?

In addition to great rates that don't break the bank, we offer:

- Broad coverage
- Free virtual vet visits
- Bill reimbursements within days
- No lifetime limits on chronic conditions

Not to mention a transparent claims process and live support with a real human to answer any questions.

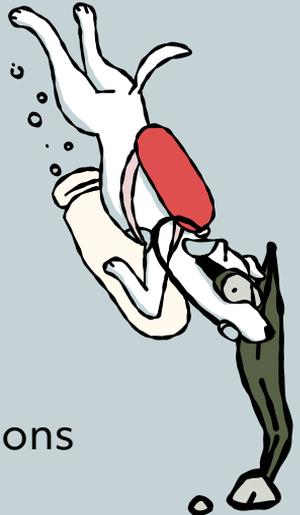

# What's Covered?

Whether it's a routine check up or a trip to the emergency room, we have your back.

We cover:

- Vaccinations up to \$100
- Cancer
- Surgery
- Tooth extractions
- Blood tests and diagnostics
- Hospitalization
- MRI & X-Rays
- Covered exam fees
- Hereditary conditions
- Congenital conditions
- Allergy treatments
- End-of-life expenses
- Microchipping
- Prescriptions & medications
